Purpose:

The AWDF, in an effort to preserve and protect the heritage of working breeds and their American working titles, shall set policy in reference to its member organizations.

Licensed Judges:

All titles received under licensed judges of the AWDF are recorded and recognized internationally and meet the international standards affiliated with the AWDF and all member clubs.

Policy:

It is the policy of the American Working Dog Federation that its member organizations shall permit their licensed performance judges to officiate events of organizations outside the AWDF only if that organization is FCI recognized.

Any violation of this policy will be referred to the AWDF BOI for review and action. The BOI shall begin its investigation within fifteen (15) days of receiving the reported violation and shall report its findings and recommendations to the AWDF Executive Board within ten (10) days of the conclusion of the investigation.
